

Please don't take away my K-LOVE radio station! This station is full of positive and encouraging music and news that uplifts me during the week. It is commercial free, supported by sponsors such as myself, so I don't have to put up with obnoxious advertisements. I know of many others in my area who listen to this on their way to work as well as at work. The message on K-LOVE is wholesome and safe for the whole family to listen to.

With all the negative talk on the news and dirty music out there, it is refreshing to have the choice to listen to something more meaningful. The public should continue to have the choice of hearing uplifting music that does not degrade or pervert others. Please don't take this away from us. K-LOVE is my number one choice when I listen to the radio.
